

**International Right-of-Way Association  
Region 4- Spring Forum  
The Westin Wilmington  
April 18-19, 2024**

**Dear IRWA Members and Interested Parties,**

The Members and Executive Board of Chapter 56 respectfully invite you, your family, friends and coworkers to attend the Region 4 Spring Forum scheduled for Thursday April 18<sup>th</sup> – 19<sup>th</sup>, 2024 at *The Westin Wilmington*.

Wilmington, the largest city in the state of Delaware. The city was built on the site of Fort Christina, the first Swedish settlement in North America. It lies at the confluence of the Christina River and Brandywine Creek, near where the Christina flows into the Delaware River.

This year's Spring Symposium will be on "Easements, Utilities and Safety!" there will be various speakers discussing easements, why an easement? What to do if there are contaminated areas within a proposed easement. What to do before you dig, ROW engineering and Deed Research, utilities within the ROW in Virginia. An onsite demonstration with an electric and gas truck provided by Delmarva Power and Gas. Come get your picture taken with Wally! So much to do and see at the Wilmington River Front.

Please complete the following registration form(s) and submit payment as noted. Registration forms and payment need to be returned by 4/3/2024.

Also, please consider being a Spring Forum sponsor (see sponsorship form).
